**Re: Response to Office Action, Bearing Incorrect Application Serial No. 10/822,944,
Mailed on October 28, 2005**

To whom it may concern:

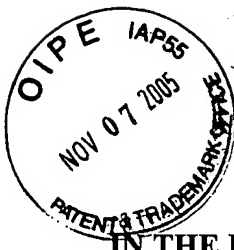

I write regarding a Response to Office Action that I sent to your office on October 28, 2005. A copy of the Response is attached as Attachment A. Today, I received a phone call from your office informing me that this Response has an incorrect front page that identifies the wrong patent application, and requesting a marked-up copy of the Response, with a corrected front page identifying the correct application. Accordingly, please find attached as Attachment B a marked-up copy of the Response, correctly identifying Application Serial No. 10/769,146, filed on January 29, 2004, as the application to which the Response belongs. Thank you for your timeliness in informing me of the situation, and thank you for allowing the courtesy of submitting a corrected version of the Response.

Very truly yours,
